

Technical Announcement

Issued by	IMSBU	Author (s)	Kevin, Tan	Security Classification	<input checked="" type="checkbox"/> General <input type="checkbox"/> Confidential
Issue No.	TNFAE16070501		Released Date	Jul. 05 2016	
Recipient	Product Manager, BU Sales Representative, Global Service Partners				

Purpose: ASDA A2-E passed the compatibility test of ETG

Description:

ASDA A2-E servo drive and I/O module have received the certification from ETG. You can find the certified logo (Cert.) next to A2-E and I/O module on ETG website.

EtherCAT Product Guide

The EtherCAT Product Guide lists EtherCAT products and services as submitted by ETG member companies. Even though the guide already contains over 700 entries there are many more which have not been entered yet. Please contact the vendor directly for any inquiry or quotation. Technical information is included as well to help you selecting the suitable product. Many entries are enhanced by links to corresponding device description files and datasheets.
